TRUTH-IN-SAVINGS DISCLOSURES

Except as specifically described, the following disclosures apply to all accounts:

1. RATE INFORMATION: The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period.

For Privilege Checking, Perk Checking, IRA Accumulation and Money Market Savings, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Credit Union's Board of Directors.

For Regular Share, Homebuyer Savings and Club Share accounts, the Dividend Rate and Annual Percentage Yield may change quarterly as determined by the Credit Union's Board of Directors.

The Regular Share, Homebuyer Savings, Money Market Savings and IRA Accumulation accounts are Tiered Rate Accounts.

For all Share Certificate Accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. The Annual Percentage Yield is based on assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. BALANCE COMPUTATION METHOD. Dividends are calculated using the "daily balance method" which applies a daily periodic rate to the actual balance in the account each day in accordance with the rate tiers herein. Balances are based on the ledger balance method. The actual amount of funds on deposit at the close of the business day will be considered on deposit for the full day for dividend earning purposes.

3. NATURE OF DIVIDENDS. Dividend rates stated are accurate at the time of disclosure. Dividends are paid from current income and available earnings, after making required transfers to reserves at the end of a dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING. The compounding and crediting of dividends and dividend period applicable to each account are set forth in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Rates and Annual Percentage Yields are the rates and yields as of the last dividend declaration date which is set forth in the Rate Schedule.

5. ACCRUAL OF DIVIDENDS. For Privilege Checking, Perk Checking, Regular Share, Homebuyer Savings, Money Market Savings, IRA Accumulation and Club Share Accounts and Certificates, dividends will begin to accrue on non cash deposits (e.g. checks) on the business day you make the deposit to your account. If you close these accounts before accrued dividends are credited, accrued dividends will not be paid. If an IRA Accumulation Account or Certificate is closed before the accrued dividends are credited, the accrued dividends will be calculated and credited at closing.

For Share Certificate Accounts, the compounding and crediting of dividends applicable to each account is set forth in the Rate Schedule. The Dividend Period begins on the first calendar day of the Dividend Period and ends on the last calendar day of the Dividend Period.

6. BALANCE INFORMATION. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Perk Checking if the account falls below the minimum balance a monthly fee will be assessed as stated in the Fee Schedule. For Perk Checking you must have \$2,500 or more on deposit for the entire month to avoid a service charge. For Privilege Checking and Perk Checking there is a minimum average daily balance required to obtain the Annual Percentage Yield for the dividend period. If the minimum average daily balance is not met, you will not earn the stated Annual Percentage Yield.

For Regular Share, Homebuyer Savings, Money Market Savings and IRA Accumulation accounts, there is a minimum average daily balance required to obtain the Annual Percentage Yield for the dividend period. If the minimum average daily balance is not met, you will not earn the stated Annual Percentage Yield.

7. ACCOUNT FEATURES. For all Share Draft Checking Accounts, if there is no activity for (6) six months the account may be closed and transferred to savings. Two boxes of free checks will be provided to Privilege account holders per account number per year. These checks may be a style chosen by the credit union. Privilege account holders must meet the age requirement of 60 years or older in order to maintain the account. If this requirement is not met, the account will automatically convert to a Snap checking account. We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment

For terms up to 12 months, the early withdrawal penalty is dividends earned, up to 90 days. For terms over 12 months, the early withdrawal penalty is dividends earned, up to 180 days. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: 1. When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction. 2. When the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment; or where the account is a Keogh Plan (Keogh) provided that the depositor forfeits an amount of at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59-1/2 or becomes disabled.

The renewal policy for Share Certificate Accounts is indicated herein and accounts will automatically renew for another term upon maturity. For all accounts, you do have a grace period after maturity of seven (7) days in which to make a deposit or withdraw funds in the account without being charged an early withdrawal penalty.

Share Certificate accounts are nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with Oklahoma's Credit Union.
